*Dear Friends,*

*There are lots of kids having a great  
time. I hope you have been keeping  
up with things on our website. As  
you know as August arrives we have  
lots of kids wanting to come into the  
main program. I am praying for as  
many of you to sponsor a teenager  
with a gift of 500.00 or more. If you  
sponsor a teenager you are  
sponsoring their new chance at life.  
Please consider sponsoring a teen  
today by going to our website at:
